- Individual attention with low Student - Teacher Ratio
- Emphasis on values, discipline and character building
- Qualified and Caring Teachers
- Safe and Supportive School Environment

Our Vision

To create a joyful, inclusive, learner-centred environment that nurtures curiosity, creativity, and critical thinking. We empower every child to realize their unique potential through holistic, value-based education, shaping confident, compassionate, and responsible global citizens committed to lifelong learning.

Our Story

Mar Athanasius Public School, Adimaly is a new initiative of the Mar Athanasius College Association, Kothamangalam, which manages several reputed educational institutions including Mar Athanasius College (Autonomous), Mar Athanasius College of Engineering (Autonomous), and Mar Athanasius International School, Kothamangalam. Nestled amidst the serene High Ranges of Kerala in Adimaly, the school offers a modern and nurturing learning environment that supports the holistic development of young learners.

Green Campus

Smart Classrooms

Our Mission

To deliver child-centric, NEP 2020-aligned education through play-based and experiential learning that builds strong academic foundations while nurturing creativity, values, and confidence in every child.
